Dear Harold--

Have been delayed since my grandfather passed away. Enclosed is what I requested of A for you. You wanted all WC corres. w Court of Inquiry. I got specific letters mentioned in Sylvia's article, except f for those A says it does not have (see Eckhoff letter). These make up first 19 pages. Last 17 pages are other letters not specifically requested but in files. Thus, all are not in chrono order. If you want CD 1536, I'll order it for you.

Take care,

Edward
